Dear contact:

In an effort to collect vital data for the Job Openings and Labor Turnover Survey (JOLTS) I am again reaching out to encourage your participation. Your contribution is important to the understanding of how firms like yours are doing in today's economy.

I assure you that our request for your time is not taken lightly. Our goal to keep your time and effort to a minimum. Accordingly, JOLTS asks just 6 simple questions and takes just a few minutes to complete each month.

The data that you provide will be used to estimate monthly job openings and labor turnover data that are eagerly awaited by Federal, State, and local governments, academia, the media, and many others.

A JOLTS representative will contact you soon to address any of your questions or concerns. Please don't hesitate to get in touch with us by emailing [joltsdcc\\_KC@bls.gov](mailto:joltsdcc_KC@bls.gov) or calling 1-833-985-9693 and asking for from\_user.

Thank you in advance for your participation in JOLTS.

Best regards,

David Sigmon  
Data Collection Center Manager  
Bureau of Labor Statistics
