

Appendix—Real Estate Report Summary of Data Fields

NOTE:

This Summary of Data Fields is meant to illustrate the various fields in the RER. The language below accompanying each field is meant to give an overview of how the fields will operate, and are not the field instructions that will accompany the RER. Fields with an asterisk (*) symbol are required by default (*i.e.*, in the report's initial state, fields with an asterisk symbol must contain an entry); however, field requirements may change based on certain data entry conditions (as noted in *italic text* throughout this document). Data entry conditions may also result in fields becoming non-required or disabled/not applicable. That fields are not labeled with an asterisk does not imply that they are optional; rather, all fields must contain a valid entry if the data is available (unless otherwise directed by FinCEN).

Person(s) associated with this Transferee

The report must include information about the person(s) associated with each recorded transferee. Multiple persons may be recorded per transferee. The same person may be reportable in more than one category of associated person, as both a beneficial owner and a signing individual.

The following guidelines apply when recording the person(s) associated with the transferee:

❖ For each recorded transferee entity:

- One or more beneficial owners, or parent/guardian of a beneficial owner minor child, must be recorded.
- One or more signing individuals (if any) must be recorded.

❖ For each recorded transferee trust:

- One or more beneficial owners, or parent/guardian of a beneficial owner minor child where the child is a beneficial owner of the trust indirectly through a legal entity, must be recorded.
- One or more signing individuals (if any) must be recorded.
- One or more trustees, limited to trustees that are legal entities (if any), must be recorded – NOTE: A trustee that is an individual is considered to be a beneficial owner of the

transferee trust for the purposes of this report; therefore, they should be recorded as a beneficial owner. If a trustee is a legal entity (reported here as a trustee that is a legal entity), a beneficial owner of that legal entity is considered to be a beneficial owner of the transferee trust.
