

minutes to allow time for questions from the Section 301 Committee.

To participate in the hearing, you must submit a request to appear at the hearing using the appropriate docket on the electronic portal at <https://comments.ustr.gov/s/>. You will be able to view docket number USTR–2025–0003 entitled ‘Request to Appear Concerning Proposed Action Pursuant to the Section 301 Investigation of China’s Targeting of the Maritime, Logistics, and Shipbuilding Sectors for Dominance’. Requests to appear must include a summary of testimony, and may be accompanied by a pre-hearing submission. Remarks at the hearing are limited to five minutes to allow for possible questions from the Section 301 Committee. All submissions must be in English. To be assured of consideration, USTR must receive your request to appear by March 10, 2025.

V. Procedure for Written Submissions

You must submit written comments and rebuttal comments using docket number USTR–2025–0002 on the electronic portal at <https://comments.ustr.gov/s/>. To submit written comments, use the docket on the portal entitled ‘Request for Comments Concerning Proposed Action Pursuant to the Section 301 Investigation of China’s Targeting of the Maritime, Logistics, and Shipbuilding Sectors for Dominance.’

You do not need to establish an account to submit comments. The first screen of each docket allows you to enter identification and contact information. Third party organizations such as law firms, trade associations, or customs brokers, should identify the full legal name of the organization they represent, and identify the primary point of contact for the submission. Information fields are optional; however, your comment or request may not be considered if insufficient information is provided.

Fields with a gray Business Confidential Information (BCI) notation are for BCI information which will not be made publicly available. Fields with a green (Public) notation will be viewable by the public.

After entering the identification and contact information, you can complete the remainder of the comment, or any portion of it by clicking “Next.” You may upload documents at the end of the form and indicate whether USTR should treat the documents as business confidential or public information.

Any page containing BCI must be clearly marked ‘BUSINESS CONFIDENTIAL’ on the top of that page and the submission should clearly

indicate, via brackets, highlighting, or other means, the specific information that is BCI. If you request business confidential treatment, you must certify in writing that disclosure of the information would endanger trade secrets or profitability, and that the information would not customarily be released to the public.

Parties uploading attachments containing BCI also must submit a public version of their comments. If these procedures are not sufficient to protect BCI or otherwise protect business interests, please contact the USTR Section 301 support line at 202.395.5725 to discuss whether alternative arrangements are possible.

USTR will post attachments uploaded to the docket for public inspection, except for properly designated BCI. You can view submissions on USTR’s electronic portal at <https://comments.ustr.gov/s/> by entering docket numbers USTR–2025–0002 and USTR–2025–0003 in the search field on the home page.

Juan Millan,

Acting U.S. Trade Representative, Office of the United States Trade Representative.

BILLING CODE 3390–F4–P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket No. FRA–2024–0015]

Proposed Agency Information Collection Activities; Comment Request

AGENCY: Federal Railroad Administration (FRA), Department of Transportation (DOT).

ACTION: Notice of information collection; request for comment.

SUMMARY: Under the Paperwork Reduction Act of 1995 (PRA) and its implementing regulations, this notice announces that FRA is forwarding the Information Collection Request (ICR) summarized below to the Office of Management and Budget (OMB) for review and comment. The ICR describes the information collection and its expected burden. On November 4, 2024, FRA published a notice providing a 60-day period for public comment on the ICR. FRA received no comments in response to the notice.

DATES: Interested persons are invited to submit comments on or before March 31, 2025.

ADDRESSES: Written comments and recommendations for the proposed ICR

should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find the particular ICR by selecting “Currently under Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Ms. Arlette Mussington, Information Collection Clearance Officer, at email: arlette.mussington@dot.gov or telephone: (571) 609–1285 or Ms. Joanne Swafford, Information Collection Clearance Officer, at email: joanne.swafford@dot.gov or telephone: (757) 897–9908.

SUPPLEMENTARY INFORMATION: The PRA, 44 U.S.C. 3501–3520, and its implementing regulations, 5 CFR part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. See 44 U.S.C. 3506, 3507; 5 CFR 1320.8 through 1320.12. On November 4, 2024, FRA published a 60-day notice in the **Federal Register** soliciting public comment on the ICR for which it is now seeking OMB approval. See 89 FR 87718. FRA has received no comments related to the proposed collection of information.

Before OMB decides whether to approve this proposed collection of information, it must provide 30 days’ notice for public comment. Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30-day notice is published. 44 U.S.C. 3507(b)–(c); 5 CFR 1320.12(d); See also 60 FR 44978, 44983, Aug. 29, 1995. The 30-day notice informs the regulated community of their opportunity to file relevant comments and affords the agency adequate time to consider public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect.

Comments are invited on the following ICR regarding: (1) whether the information collection activities are necessary for FRA to properly execute its functions, including whether the information will have practical utility; (2) the accuracy of FRA’s estimates of the burden of the information collection activities, including the validity of the methodology and assumptions used to determine the estimates; (3) ways for FRA to enhance the quality, utility, and clarity of the information being collected; and (4) ways to minimize the burden of information collection activities on the public, including the

use of automated collection techniques or other forms of information technology.

The summary below describes the ICR that FRA will submit for OMB clearance as the PRA requires:

Title: Hours of Service Regulations.

OMB Control Number: 2130-0005.

Abstract: FRA's hours of service recordkeeping regulations (49 CFR part 228), amended as mandated by the Rail Safety Improvement Act of 2008, include substantive hours of service requirements for train employees (*i.e.*, locomotive engineers and conductors) providing commuter and intercity rail passenger transportation (*e.g.*, maximum on-duty periods, minimum off-duty periods, and other limitations). The regulations also require railroads to evaluate passenger train employee work schedules for risk of employee fatigue and implement measures to mitigate the risk, and to submit to FRA for approval certain schedules and mitigation plans. Finally, the regulations include recordkeeping and reporting provisions requiring railroads to keep hours of service records, and report excess service, for train employees, signal employees, and dispatching service employees on both freight and passenger railroads. FRA uses the information collected to verify that railroads do not require or allow their employees to exceed maximum on-duty periods and ensure that they abide by minimum off-duty periods, and adhere to other limitations, to enhance rail safety and reduce the risk of accidents/incidents caused, or contributed to, by train employee fatigue.

Type of Request: Extension without change (with changes in estimates) of a currently approved collection.

Affected Public: Businesses (railroads and signal contractors).

Form(s): FRA F 6180.3.

Respondent Universe: 797 railroads, signal contractors and subcontractors.

Frequency of Submission: On occasion.

Total Estimated Annual Responses: 18,660,988.

Total Estimated Annual Burden: 1,284,832 hours.

Total Estimated Annual Burden Hour Dollar Cost Equivalent: \$114,517,098.

FRA informs all interested parties that it may not conduct or sponsor, and a respondent is not required to respond to, a collection of information that does not display a currently valid OMB control number.

Authority: 44 U.S.C. 3501-3520.

Christopher S. Van Nostrand,

Deputy Chief Counsel.
