

46 CFR Part 531 – NVOCC Service Arrangements

OMB Control Number: 3072-0070

Information Collection Reference Number: 202506-3072-004

Part 531 exempts NVOCCs from the more burdensome aspects of the tariff rate publication requirements that apply to VOCCs, provided that they file instead a NVOCC Service Arrangement (NSA). In doing so, they must claim the exemption in their published tariff, which constitutes an information collection.
