Invitation

Thank you for answering all of my questions. As I mentioned, we respect your privacy and understand this information is confidential, and we will not disclose this information to anyone. We asked these questions because we want to speak with a wide variety of people who can review important information and provide their feedback. Based on your answers to the questions, we would like to invite you to participate in a virtual focus group that will last approximately 90 minutes. During the virtual discussion, you will need to have a reliable internet connection and use a desktop or laptop computer.

You will receive \$75 as a token of appreciation for your participation, which will be provided to you after you complete the discussion.

All of your feedback will be confidential, reported in the aggregate only, never in association with your name or identity. To make sure we capture your remarks accurately, we will record the interview. The purpose of the audio recording is to make sure we report accurately, but without any personally identifying information. Is this something you are interested in and comfortable with?

Yes		CONTINUE
No		THANK AND TERMINATE

The discussion is virtual, meaning that you can participate from the comfort of your home or office. You will not need to come to a facility and can meet us from wherever you are, but you will need to be in front of a computer or tablet with internet access. The information you will review could include reading, so it is best that you do not participate using a cell phone. You will also have to be in a quiet place. Someone will call you before the interview to make sure all the technology needed for the interview is working properly. Is this focus group something you are interested in and comfortable with?

Yes		CONTINUE
No		THANK AND TERMINATE
