

CDC estimates the average public reporting burden for this collection of information as 2 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS H21-8, Atlanta, Georgia 30333; ATTN: PRA (0920-1154).

ATTACHMENT F: Survey Telephone Reminder

If participant answers call:

Hello [Name]

My name is XXXX, and I am calling on behalf of the [State Sheriffs' Association]. This call is to remind you to complete the Sheriffs' Advice-Seeking Survey for a study funded by the Centers for Disease Control and Prevention, which is due on [DATE].

Do you have about 7 minutes to complete the survey over the phone right now? If you are not available now, would you like to schedule another time for me to call you back? If you prefer, we can also send you the survey by mail for you to complete and mail back to us.

We appreciate your help with the project.

Thank you!

If call is sent to voicemail:
