

## Attachment 1. OneLab REACH Single Sign-Up Survey

### Intro

Thank you for joining OneLab™

, a CDC initiative to connect, bridge, train, and sustain a capacity-building community among public health and clinical laboratory professionals to support rapid, large-scale responses to public health emergencies.

Your responses to the following set of questions will help CDC ensure that training materials, including P.A.C.E.® credit-bearing courses, and job aid resources are tailored to your learning needs.

This survey will take approximately 20 minutes to complete. Participation in this survey is voluntary and all responses will remain anonymous. No unique identifying information will be sought or kept. We will use survey information in aggregate to help improve future OneLab events and resources.

CDC estimates the average public reporting burden for this collection of information as 20 minutes, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needs, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, SD-74, Atlanta, Georgia 30333; ATTN:PRA (0920-1154).

### OneLab offers tailored networks and events

We encourage you to sign up to receive more information for any of the OneLab resources!

#### (1) How did you hear about the OneLab Initiative?

- From OneLab communications
- From a previous OneLab event
- From a colleague
- From a professional organization listserv/newsletter (e.g., LOCS, CLCR, CLIA)
- From a previous conference

#### (1) Please describe

#### (2) I would like to receive more information about the following (please select all that apply):

- OneLab TEST (Timely Education and Support of Testers): a collaborative network designed to connect, train, and empower a community of practice among professionals and volunteers who perform or coordinate testing at non-laboratory sites.
- OneLab Network: a collaborative network providing free opportunities for laboratory professionals to connect with other network members, attend live events, and access customized laboratory education and training resources.
- OneLab Summit: a three-day annual summit that connects laboratory and testing professionals in real time to support a unified response to laboratory education and training needs.
- OneLab VR (Virtual Reality): a multiplayer environment that is currently in development. Users can take on-demand VR trainings or use the space to deliver live trainings to their own staff. OneLab VR empowers laboratory professionals to apply, assess, and improve their skills in a safe and controlled learning environment.

**(1) Organization/Employer (if you are a student, please list your College/University):**

**(2) Which of the following best describes your primary occupational setting?**

- Academia/Educational Institution - Faculty or Administrator
- Academia/Educational Institution - Student
- Clinical/Medical Laboratory
- Community Clinic
- Correctional Facility
- Diagnostic Testing Services (Quest, Labcorp, etc.)
- EMS/Medical Transport Services
- Governmental/Regulatory Agency (CDC, ASPR, CMS, etc.)
- Health Department (State/Territorial/Local/Tribal)
- Home Health Agency
- Hospital/Health System
- Long Term Care Facility
- Manufacturer Representative
- Mobile Laboratory Services
- Pharmacy
- Physician Office
- Professional/Industry Association
- Public Health Laboratory
- Temporary Housing Shelter
- Urgent Care/Immediate Care
- Volunteer
- Other

**(2a) I am pursuing (please select all that apply):**

- Associate's degree
- Bachelor's degree
- Master's degree
- Doctoral degree
- Medical degree
- Other...

**(2b) I am studying (please select all that apply):**

- Animal Science
- Biochemistry
- Bioinformatics
- Biology
- Biotechnology
- Chemistry
- Clinical/Medical Laboratory Scientist (CLS/MLS)
- Clinical/Medical Laboratory Technician (CLT/MLT)
- Environmental Science
- Informatics/Data Science
- Medical Technologist (MT)
- Microbiology
- Nutritional/Food Science
- Public Health
- Other...

**(2c) My college or university is a(n) (please select all that apply):**

- Alaska Native and Native Hawaiian Serving Institution (ANNH)
- Asian American Native American Pacific Islander-Serving Institution (ANNAPISI)
- Hispanic Serving Institution (HSI)
- Historically Black Colleges & Universities (HBCU)
- Native American-Serving Non-Tribal Institution (NASNTI)
- Tribal College and Universities (TCU)
- None of the above
- I don't know

**(2d) Are you affiliated with any of the below? Affiliates are defined as recipients of an APHL or CDC-sponsored fellowship and internship program. Staff supporting the development or management of these programs are not considered affiliates. (please select all that apply):**

- Association of Public Health Laboratories (APHL) Fellow
- Association of Public Health Laboratories (APHL) Intern
- Other CDC-sponsored fellowship or internship

**(3) Geographic location of your primary occupational setting (or school setting) (indicate primary occupation if you have more than one job):**

inside the U.S. (including all states, territories, and commonwealths)

**(3a) Please select:**

Georgia

**(3b) Zip-code where you perform the majority of your work:**

test

**(4) What is your highest completed education level?**

- High School Diploma
- College Degree
- Post-graduate Degree
- Other...

test

**(5) Do you perform laboratory testing (including clinical laboratory testing, diagnostic testing, or point-of-care testing)?**

- Yes
- No

**(5a) Which of the following describes your current role? (please select all that apply):**

- Clinical Lab Technician/sample testing
- Public Health Laboratory Professional/reference testing & disease surveillance
- Laboratory Manager/laboratory facility maintenance
- Laboratory Supervisor/oversee laboratory operations
- Healthcare Provider/sample collection

**(5b) Which of the following best describes your current role?**

- Clinical/Medical Laboratory Scientist (CLS/MLS)
- Clinical/Medical Laboratory Technician (CLT/MLT)
- Histotechnologist
- Lab Assistant
- Medical Technologist (MT)
- Microbiologist
- Molecular Biologist
- Pathologist
- Phlebotomist
- Quality Assurance
- Other...

test

**(5c) How many years have you been working in the laboratory testing profession?**

- Less than 1 year
- 1-3 years
- 4-6 years
- 7+ years

**(5d) Do you have, or are you working toward, any of the below professional certifications? (please select all that apply):**

- Clinical/Medical Laboratory Scientist (CLS/MLS)
- Clinical/Medical Laboratory Technician (CLT/MLT)
- Histotechnician (HT)
- Technologist in Blood Banking (BB)
- Technologist in Chemistry (C)
- Technologist in Cytogenetics (CG)
- Certified Point-of-Care Testing Professional (CPP)
- Cytologist (CT)
- Diplomate in Laboratory Management (DLM)
- Technologist in Hematology (H)
- Histotechnologist (HTL)
- Technologist in Microbiology (M)
- Technologist in Molecular Biology (MB)
- Medical Laboratory Assistant (MLA)
- Pathologists' Assistant (PA)
- Phlebotomy Technician (PBT)
- Specialist in Blood Banking (SBB)
- Specialist in Chemistry (SC)
- Specialist in Cytology (SCT)
- Specialist in Hematology (SH)
- Specialist in Microbiology (SM)
- Specialist in Cytometry (SCYM)
- Specialist in Molecular Biology (SMB)
- Not Applicable (N/A)

**(6) What is your involvement in training or continuing education, both internal (those that occur within your laboratory or organization) and external (those that occur outside your laboratory or organization)? (please select all that apply):**

- I attend trainings
- I provide content for trainings
- I develop trainings
- I deliver trainings
- I make trainings recommendations or set training requirements for staff (e.g., decide which trainings will fulfill staff's annual requirements)
- I am an ASCLS P.A.C.E. administrator
- Not Applicable (N/A)

**(7) What challenges do you experience regarding laboratory and testing education and training resources? (please select all that apply):**

- Not relevant or timely
- Not tailored for my job/setting
- Not enough time in workday (too long)
- Not enough flexibility in type/format of training (e.g., requires live attendance or internet access)
- Not engaging/too repetitive or tedious
- Not reliable or up-to-date information as well as determining changes in laboratory procedures
- Staff shortages (e.g., lack of coverage to be able to attend trainings)
- No challenges
- Affordable/usable Continuing Education Units (CEU)
- Other...

test

**(8) On a scale of 1-5, 1 being least important and 5 being most important, how important are each of the below laboratory training and education topics to you? (please select number 1-5 for each):**
