Attachment 4. OneLab REACH Mini Lesson and Job Aid Survey

Job Aid

Thank you for taking the time to fill out this survey. Feedback collected through this survey will be used to help CDC improve on its delivery of laboratory trainings, resources, videos, and events.

This survey will take approximately 5 minutes to complete. Participation in this survey is voluntary and all responses will remain anonymous. No unique identifying information will be sought or kept. We will use survey information in aggregate to help improve future OneLab events and resources.

CDC estimates the average public reporting burden for this collection of information as 5 minutes, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, SD-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1154).
