In-Depth Interview Screener for Consumers with Previous Antimicrobial-Resistant
Infections
February 20, 2024 V4

Introduction
Hello. My name is and I'm calling from, an independent communications firm.
You indicated that you are interested in participating in a one-on-one research interview, conducted virtually, to discuss your experiences and opinions regarding a health topic. [DO NOT DISCLOSE THE EXACT TOPIC OF DISCUSSION BEFORE THE INTERVIEW.] The discussion will last up to 1 hour. This activity is supported by the U.S. Centers for Disease Control and Prevention and interviews are being conducted by their contractual partner KRC Research.
I have a few questions to start. But first, to maintain participants' confidentiality, we will use first names only during the interview and your name will <u>not</u> be used in any study materials. CDC will not receive any personally identifying information that you provide. We will be asking you a few questions to ensure we are recruiting a variety of people, but the information will not be associated with your specific name.
IF TERMINATED DURING SCREENING PROCESS, READ: I'm sorry, we already have enough individuals in that category. Thank you very much for your time.
INTERVIEWER INSTRUCTION: If individual expresses concern at any point during the screening process, please note their concern and reassure them appropriately. Remind them that their participation is voluntary, and both their answers and participation will be completely confidential.

Invitation

Thank you for answering all my questions. As I mentioned, we respect your privacy and understand this information is confidential, and we will not disclose this information to anyone. We asked these questions because we want to speak with a wide variety of people who can provide their opinions and experiences. Based on your answers to the questions, we would like to invite you to participate in a virtual interview that will last approximately 60 minutes. During the virtual discussion, you will need to have a reliable internet connection and use a desktop or laptop computer.

You will receive \$75 as a token of appreciation for your participation, which will be provided to you after you complete the discussion.

All of your feedback will be confidential and will never be reported in association with any personally identifying details like your name. To make sure we capture your remarks accurately, we will record the interview. The purpose of the audio recording is to make sure we report accurately, but without any personally identifying information. Is this something you are interested in and comfortable with?

Yes	CONTINUE
No	THANK AND TERMINATE

The discussion is <u>virtual</u>, meaning that you can participate from the comfort of your home or office. You will not need to come to a facility and can meet us from wherever you are, but you will need to be in front of a computer or tablet with internet access. The information or materials you will review could include reading and visual content, so we request that you do <u>not</u> participate using a cell phone. You will also have to be in a quiet place. Someone will call you before the interview to make sure all the technology needed for the interview is working properly. Is this interview something you are interested in and comfortable with?

Yes	CONTINUE
No	THANK AND TERMINATE
