

Script for Post-Preparation Interview with Osh Managers and Trainers (Prior to Training)

- How clear are the resources provided in the module?
 - How helpful were they?
 - Anything not clear?
- Do you feel like information is missing?
- Did you use any additional resources to prepare?
- How do you anticipate your workers will receive the training?
 - Do you think they need training in this area?
- Have you had previous training related to heat stress and prevention?
- Do you feel adequately prepared to provide the training?
 - Why or why not?

Follow-up prompts:

- Why/why not?
- How?
- In what ways?
- How did you know?
- Can you provide an example?
- Has that changed over time?
