RECRUIT 32 PARTICIPANTS TOTAL. SEPARATE CONTACT SHEET FROM THE REST OF THE SCREENER AND SHRED AT THE END OF THE PROJECT.

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS H21-8, Atlanta, Georgia 30333; ATTN: PRA 0920-1154.

INVITATION

Thank you for answering all my questions. As I mentioned, we respect your privacy and understand this information is confidential, and we will not disclose this information to anyone. We asked these questions because we want to speak with a wide variety of people who can review important information and provide their feedback.

Based on your answers to the questions, we would like to invite you to participate in a virtual focus group that will last approximately 90 minutes. The focus group will be held in [ENGLISH / SPANISH]. During the virtual discussion, you will need to have a reliable internet connection and use a desktop or laptop computer.

You will receive \$75 as a token of appreciation for your participation, which will be provided to you after you complete the discussion.

All of your feedback will be confidential and will never be reported in association with any personally identifying details like your name. To make sure we capture your remarks accurately, we will record the discussion. The purpose of the audio recording is to make sure we report accurately, but without any personally identifying information. We will use the recording to make a written record of the conversation. Once we have done that and the project is complete, we will destroy the recording. Is this something you are interested in and comfortable with?

Yes	SHARE DATE AND TIME OF FG	
No	TERMINATE	

The discussion is virtual, meaning that you can participate from the comfort of your home or office. You will not need to come to a facility and can meet us from wherever you are, but you will need to be in front of a <u>computer or tablet</u> with internet access. The information or materials you will review will include reading and visual content, so we request that you do not participate using a cell phone. You will also have to be in a quiet place. Someone will call you before the focus group to make sure all the technology needed for the discussion is working properly. Is this focus group something you are interested in and comfortable with?

Yes	CONTINUE
No	TERMINATE

FOR SCHEDULED PARTICIPANTS:

The discussion can occur during the weeks of **INSERT WEEKS**, during the hours of **INSERT** HOURS. What date and time works best for you within that timeframe? Before your scheduled discussion, we will send you confirmation with all the necessary logistical and technological information. If you wear reading glasses or use a hearing aid, please remember to have those with you at the interview.

If you must cancel,	please let us know immediately, so we	e can find someone to t	ake your place
My name is	and you can reach me at
