Eligible Participant Screener for Focus Group (to be conducted over the phone by recruiter)

CDC estimates the average public reporting burden for this collection of information as 5 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1154).

Good news. You are eligible to participate in this project.

If you agree to participate in this project, we will ask you to take part in a web-based focus group. We will ask a series of questions about food safety. This focus group will take about 60 minutes. To thank you for your time, you will receive a \$75 token of appreciation for your participation.
