Attachment 5. OneLab P.A.C.E.® and non-P.A.C.E.® Evaluation Survey
Contents

Intro

Thank you for accessing this OneLab event or resource. Please provide feedback on your experience to help CDC OneLab improve strategies to deliver timely, relevant, and valuale information to the laboratory community in the future.

This survey will take approximately 15 minutes to compelte. Participation in this survey is voluntary and all responses will remain anonymous. No unique identifying information will be sought or kept. We will use survey information in aggregate to help improve future OneLab events and resources. If you have any questions about this evaluation, please email onelab@cdc.gov.

CDC estimates the average public reporting burden for this collection of information as 15 minutes, including the time for reviewing instruction, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, SD-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1154).
