Script for POST-TRAINING INTERVIEW with OSH Managers and Trainers

- Overall, how do you think the session went?
 - o What went well?
 - o What challenges did you have?
 - Any ideas of how to address those the next time?
 - O Where the workers engaged?
 - In what ways? (i.e., how do you know?)
 - Was there interactive discussion and/or questions?
 - O Have you received any feedback from the workers about the training?
 - If so, what?
 - What implications does that have?
- Did the training go as you had planned?
 - o If not, why?
 - How can that be corrected?
 - O Anything surprise you?
- Did you feel adequately prepared during the session?
 - 0 Why or why not?
 - 0 Will you do something differently next time
- Do you think the training accomplishes the goals and objectives you previously stated (i.e., first interview)?
 - 0 Why or why not?
 - O Do you feel that it is a good fit for your needs?
 - Why or why not?
 - Do you think you'll continue to use it?
- In what ways do the training materials and trainer preparation need to be improved?

Additional questions for second and last post-training interviews:

- After your first training session, did you prepare differently?
 - o Why?
 - O In what ways?
- In what ways was the session the same and/or different than previous sessions?
- In what way did you change the session based on your previously experience?
- In what ways can the training materials need to be improved?
 - 0 What other resources would be helpful?

Follow-up prompts:

- Why/why not?
- How?
- In what ways?
- How did you know?
- Can you provide an example?
- Has that changed over time?

Public reporting burden of this collection of information is estimated to average 40 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
