DP23-0020: A Strategic Approach to Advancing Health Equity for Priority Populations with or at Risk for Diabetes (2320)

Component B Performance Measure Data Collection Platform March 2024

Public reporting burden of this collection of information is estimated to average **8 hours per response per year**, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-1282).

Performance Measure Reporting Cadence

Performance Measure Reporting Cadence					
DP23-0020 Recipients will report on performance measures 90 days after the close of each budget period through the 5-year period of performance.					
	Year 1	Year 2	Year 3	Year 4	Year 5
Reporting Period	Not Applicable	September 30, 2024	September 29, 2025	September 28, 2026	September 27, 2027

Guidance for Reviewing Performance Measure Screenshots

Guidance for Reviewing Screenshots	
<ul style="list-style-type: none">• The name of the recipient provided for each screenshot (Performance Measures – [Agency Name] (DP23 -0020)) is an example of where the recipient agency’s name who is completing the form would be displayed.• The name indicated in the “Last Modified By” field (Platform Admin Rene van Horde) is an example of the name of the person who last modified the template.• Field labels in Salesforce are not limited to the number of characters with spaces and can be expanded.• Field labels follow the layout of performance measure guidance with fields reading from left to right, top to bottom across the page.	

DP23-0020 Home Screen – Component B

The screenshot shows the DP23-0020 Home Screen - Component B interface. At the top, there is a CDC logo and the text "Centers for Disease Control and Prevention CDC 24/7: Saving Lives. Protecting People™". Below this is a dark teal header bar with the DDT logo, a search bar, and a user profile for JAMES GU... with a dropdown arrow. A navigation menu below the header includes links for RESOURCE TOPICS, TA REQUESTS, AWARDS, GROUPS, DASHBOARD, REPORTS, and CALENDAR. The main content area is titled "Performance Measures - National Black Women's Health Project, Inc. (DP23-0020)". It features a table with columns: INFO (DOT DP23-0020), Component (Component B), Award Number, and Status (In Progress). Below the table are buttons for "Submit For Review" and "Export". A tabbed interface shows "MEASURES" and "DISCUSSIONS". Under the "MEASURES" tab, there is a list of measures with expand/collapse icons and a dropdown arrow. The measures listed are 1.1, 1.2, 1.3, 1.a, 1.b, and 2.2. An "Add Measure" button is located at the top right of the measures list.

DP23-0020-Performance Measure Template Key-Component B

The screenshot shows the DP23-0020-Performance Measure Template Key-Component B interface. It features a "KEY" section with a list of icons and their corresponding descriptions:

- Help text with key definition and guidance
- Drop down options
- Collapse
- Expand
- Move selection right
- Move Selection left
- Help Tips (*This is only for performance measures that have more than one data point*)

DP23-0020 Measure 1.1 _Add Measurement Option – Component B

The screenshot shows a web application interface for adding a measurement option. On the left is a sidebar with a tree view containing '1.1' and several sub-items: Name, Description, Measure Type, Progress Notes, Setting, and Data Source. The main area displays a form titled 'Add Measurement Option' with a close button (X) in the top right corner. The form fields are as follows:

- Name:** A text input field.
- Description:** A text input field.
- Measure Type:** A dropdown menu with '--None--' selected.
- Progress Notes:** A text input field.
- Setting:** A text input field.
- Data Source:** A text input field with a calendar icon on the right.
- Lock Status:** A dropdown menu with 'Unlocked' selected. A callout box explains: 'If this measurement is "Locked" then it cannot be updated or deleted. If you would like to update or delete this measurement, the please reach out to your Project Officer, or Evaluator, to unlock this measurement.'
- Performance Year:** A dropdown menu with '--None--' selected.
- Measurement Type:** A dropdown menu with '--None--' selected. A callout box explains: 'Actual or Target'.
- Date Collected:** A text input field with a calendar icon on the right.
- Numerator/Count:** A text input field.
- Notes:** A text area. A callout box explains: 'If Other is selected, provide additional information that reflects context for the values reported.'

At the bottom of the form is a 'Close' button. Below the form, the 'Last Modified By' field shows 'emiloluwa Ogundeyi' and the 'Last Modified By' field shows '3/12/2024 3:32 PM'. A dark teal button labeled 'Add Measure' is located in the top right corner of the sidebar area.

DP23-0020 Measure 10.b_Add Measurement Option – Component B

The screenshot shows a web-based form for configuring a measurement. On the left is a sidebar with a '10.b' dropdown, a 'Help' button, and a list of fields: Name, Description, Measure Type, Progress Notes, Setting, and Data Source. The main area displays the configuration form with the following fields and callouts:

- Lock Status:** A dropdown menu currently showing 'Unlocked'. A callout box states: "If this measurement is 'Locked' then it cannot be updated or deleted. If you would like to update or delete this measurement, the please reach out to your Project Officer, or Evaluator, to unlock this measurement."
- Performance Year:** A dropdown menu currently showing '--None--'.
- Measurement Type:** A dropdown menu currently showing '-None-'. A callout box states: "Actual or Target".
- Date Collected:** A date input field with a calendar icon.
- Notes:** A text area for additional information. A callout box states: "If Other is selected, provide additional information that reflects context for the values reported."

At the bottom right of the form is a 'Close' button. The background shows a blurred view of the 'Setting' and 'Data Source' sections of the form.

DP23-0020 Measure 12.1 _Add Measurement Option – Component B

The screenshot shows a web application interface for adding a measurement option. A modal window is open over a sidebar menu. The sidebar menu has a '12.1' dropdown, a 'Help' button, and several menu items: 'Name', 'Description', 'Measure Type', 'Progress Notes', 'Setting', and 'Data Source'. The modal window contains the following fields and callouts:

- Lock Status:** A dropdown menu currently showing 'Unlocked'. A callout box states: 'If this measurement is "Locked" then it cannot be updated or deleted. If you would like to update or delete this measurement, the please reach out to your Project Officer, or Evaluator, to unlock this measurement.'
- Performance Year:** A dropdown menu currently showing '--None--'.
- Measurement Type:** A dropdown menu currently showing '-None-'. A callout box states: 'Actual or Target'.
- Date Collected:** A date picker field.
- Numerator/Count:** A text input field. A callout box states: 'Provide the total number of people, participants, or completers.'
- Notes:** A text area. A callout box states: 'If Other is selected, provide additional information that reflects context for the values reported.'

At the bottom of the modal window is a 'Close' button. The background sidebar menu is partially visible, showing the 'Measure Type' and 'Progress Notes' sections with some text like 'Support (DSMES)', 'style intervention', 'PP lifestyle intervention', and 'nt mechanisms'.
