Accreditation Information

By the close of the bid window, all locations must meet Medicare enrollment requirements, including being accredited for all items in the product category(s) for which you are bidding. As required by 42 CFR § 414.414 (c), each supplier location must be enrolled, meet quality standards, and be accredited to be awarded a contract. Only eligible locations will be included on the contract.

Review and acknowledge that you have read and agree with the statement below. Click the box to accept.

I acknowledge and understand as a bidder that my location(s) must be properly accredited to furnish the lead item and non-lead items and service(s) in the product category(s) included in my bid. This information must be on file with the National Supplier Clearinghouse (NSC) and in the Provider Enrollment, Chain, and Ownership System (PECOS) by the close of the bid window. *

Licensure

By the close of the bid window, all locations must meet Medicare enrollment requirements, including possessing all applicable state licenses for the lead item and non-lead items within the product category(s) and competitive bidding area(s) for which you are bidding.

As required by 42 CFR § 414.414 (b)(3), every location on the bid is responsible for having all applicable licenses for each state in which it furnishes items and services. Bidders will be disqualified if they do not have at least one location that meets state licensure requirements for the applicable state(s) and product category(s).

Please check the [Licensure Directory](#) on the National Supplier Clearinghouse (NSC) website, which serves as a guide, and the [Licensure for Bidding Suppliers](#) fact sheet, to help ensure your location(s) is properly licensed.

You must also review and acknowledge that you have read and agree with the statement below. Click the box to accept.

Select Competitive Bidding Area (CBA) and Product Category

The CBA and product category combinations appear below:

In accordance with §414.412(h), bidding entities must obtain a bid surety bond for each CBA for which it is submitting a bid from an authorized surety on the Department of the Treasury's Listing of Certified Companies and provide proof of having obtained the bid surety bond. A copy of each bid surety bond must be uploaded in Connexion on or before the close of the bid window. The legal business name (LBN) on the bid surety bond must match the LBN for the Provider Transaction Access Number (PTAN) you entered when registering for DBidS and populated in the Business Organization page. For more information about bid surety bonds, visit the [CBIC website](#).

You must review and acknowledge that you have read and agree with the statement below. Click the box to accept.

I acknowledge that I, as a bidder, have obtained a bid surety bond from an authorized surety for each CBA selected below. *

☐

Click the box in the right column for each CBA/product category combination for which your organization is submitting a bid(s). By clicking the box, you are also attesting that you have obtained a bid surety bond for the CBA from an authorized surety. After you have made your selection, click the **Add CBA/PCs** button to save your selection(s). Once you have made your selection, the information will display under the Section Header CBA/Product Category List. You may sort by CBA or product category using the arrows, or you can filter the fields by typing in the blank box above the list of CBAs and product categories.

Later in the bid application, you will be required to identify the locations that currently furnish Round 2021 competitively bid items in the CBA(s) or will furnish if awarded a contract. *
