Definition

"Total Units Purchased - Non-340B" refers to the number of packages when reporting units of the 11-digit NDC acquired by the hospital for outpatient use during the period July 1, 2024, through June 30, 2025. The total units purchased for this field should NOT include drugs that were purchased under the 340B Program.

"Total Net Acquisition Cost - Non-340B" refers to the total amount paid by the hospital to acquire all units of specified non-340B drugs during the period July 1, 2024, through June 30, 2025, after accounting for all discounts, rebates, and financial concessions. Hospitals should report the aggregated net cost across all purchased non-340B units, not the per-unit cost.

"Total Units Purchased - 340B" refers to the number of packages when reporting units of the 11-digit NDC acquired by the hospital for outpatient use and that were purchased under the 340B Program during the period July 1, 2024, through June 30, 2025.

"Total Net Acquisition Cost - 340B" refers to the total amount paid by the hospital to acquire all units of specified 340B drugs during the period July 1, 2024, through June 30, 2025, after accounting for all applicable discounts, rebates, and financial concessions. Hospitals should report the aggregated net cost across all purchased 340B units, not the per-unit cost.
