**CMS-10716 Collection Instrument Change Crosswalk: Applicable Integrated Plan Coverage Decision Letter**

| Location of Change | Description of Change | Reason for Change | Effect on Burden |
|---|---|---|---|
| You have the right to appeal our decision | Added language that explains the appeal deadline includes a standard and fast appeal | The change was made in response to a commenter from 60-day comment period requesting that the appeal rights section align with National Committee for Quality Assurance (NCQA) guidelines. | No effect on burden |
| Throughout the document | Added "and/or" to "*medical service/item and/or Medicare Part B drug*" | The change was made in response to a commenter from the 60-day comment period, noting there may be instances where both medical service/item and Part B drug are applicable. | No effect on burden |
