[IMPORTANT: For help with this notice, contact **<Plan Name>** at **<Plan customer service phone number>** (TTY: **<TTY number>**) **OR** **<Ombudsman or other program office>** at **<phone number>** (TTY: **<TTY number>**)]

<Date of Letter>

[Insert Member name]

Member Health Plan ID:

Service/item this letter is about:

[Insert additional field(s) as needed or when required by state, such as provider or Member Medicaid ID or date of decision]

<Plan name> is called “our plan” or “we” in this letter. We are a health plan that contracts with Medicare and Medicaid *[Replace with state-specific term for Medicaid, if applicable]* to provide coverage for both programs. Our plan coordinates your Medicare and Medicaid *[Replace with state-specific term for Medicaid, if applicable]* services and your doctors, hospitals, pharmacies, and other health care providers.

Our plan <denied or partially approved or reduced or stopped or suspended or changed> *[Insert if applicable: payment for]* the **<medical service/item and/or Medicare Part B drug or Medicaid drug>** listed below:

[Insert description of medical service/item and/or Medicare Part B drug or Medicaid drug, including the amount, duration, and scope, of what the enrollee requested (e.g., physical therapy visits 2 times per week for 1 year), and the outcome, denied, partially approved, reduced, stopped, suspended, or changed, and include the doctor or provider's name if a particular doctor or provider requested the service or item. If a service or item request is partially approved, reduced, or changed, include specifically what was requested and what is approved (e.g., We are approving acupuncture services for 3 months instead of a full year, or We are approving moving a toilet to the south wall instead of the east wall of the bathroom, or We previously approved 18 acupuncture visits per year but are now reducing the visits to only allow 10.)]

[Insert if this is a post-service case for which there is no member liability: Please note, you will not be billed or owe any money for this [insert as applicable: medical service/item and/or Medicare Part B drug or Medicaid drug].]

Our plan made this decision because *[Provide a specific denial reason and a concise explanation of why the medical service/item and/or Medicare Part B drug or Medicaid drug was denied and include state or federal law and/or Evidence of Coverage/Member or Enrollee*

Handbook provisions to support the decision in plain language. The plain language explanation of the decision should include: (1) relevant context for the decision (e.g., if the medical service/item and/or Medicare Part B drug or Medicaid drug was approved for the enrollee in the past, the description should include what was previously approved, when it was approved and by whom, and what has changed or is otherwise different now); (2) coverage information considered including Medicare and Medicaid coverage benefits; and, (3) if applicable, information on how or why the requested service or item is not supported by the enrollee's needs – see instructions for more information].

*[Insert if denial will result in a stoppage, suspension, or reduction of a medical service/item and/or Medicare Part B drug or Medicaid drug the individual has already been receiving: **Our plan will <reduce or stop or suspend> your <medical service/item and/or Medicare Part B drug or Medicaid drug> on <effective date>.** See the “How to keep getting your <medical service/item and/or Medicare Part B drug or Medicaid drug> during your appeal” section later in this letter for information about continuing to receive your <medical service/item and/or Medicare Part B drug or Medicaid drug> during your appeal.]*

You have the right to appeal our decision

You can appeal our plan's decision. Share this letter with your <doctor *or* health care provider> and ask about next steps. If you appeal and our plan changes its decision, we may pay for the <medical service/item *and/or* Medicare Part B drug *or* Medicaid drug>.

You can also call <plan phone number for appeal requests> (TTY: <TTY number>) and ask us for a free copy of the information we used to make our decision. This may include health records, guidelines, and other documents. You should show this information to your <doctor *or* health care provider> to help you decide if you should appeal.

You must appeal to our plan by *[Insert specific appeal filing deadline date in month, date, year format – 65 calendar days from date of letter. Insert deadline date in bold text].* This date applies if you request a standard or a fast appeal. Our plan may give you more time if you have a good reason.

There are two kinds of appeals

Our plan has two kinds of appeals – standard appeals and fast appeals.

1. If you ask for a **standard appeal**, our plan will send you a written decision within *[for a Medicare Part B drug the enrollee has not yet received, insert: **7 calendar days** and/or for any other medical service/item, insert: **30 calendar days** or a shorter timeframe if required by the state]* **after we get your appeal.**
2. If you ask for a **fast appeal**, our plan will give you a decision within *[insert: **72 hours** or a shorter timeframe if required by the state]* **after we get your appeal.** You can ask for a fast appeal if you or your <doctor *or* health care provider> believe your health could be

seriously harmed by waiting up to *[for a Medicare Part B drug, insert: 7 calendar days and/or for any other medical service/item, insert: 30 calendar days or a shorter timeframe if required by the state]* for a decision. Our plan will **automatically** give you a fast appeal if your **<doctor or health care provider> asks for one for you** or if your **<doctor or health care provider> supports your request**. If you ask for a fast appeal without support from a **<doctor or health care provider>**, our plan will decide if you can get a fast appeal. If our plan doesn't approve a fast appeal, we'll give you a decision on your appeal within *[for a Medicare Part B drug, insert: 7 calendar days and/or for any other medical service/item, insert: 30 calendar days or a shorter timeframe if required by the state]*.

[Delete if the letter is for a denial of a Medicare Part B drug or if the state does not allow extensions: For both standard and fast appeals, our decision might take longer if you ask for more time or if we need more information from you. Our plan will send you a letter and tell you if we need more time and why.*]*

What happens next

After you appeal, our plan will send you an appeal decision letter to tell you if we approve or deny your appeal. If our plan still denies *[Insert if applicable: payment for]* the <medical service/item *and/or* Medicare Part B drug *or* Medicaid drug> listed on the first page of this Coverage Decision Letter, the appeal decision letter will tell you what happens next, such as information about a Medicare Level 2 appeal or how to ask <state name> for a Fair Hearing *[Insert if appropriate: (also called a <state-specific term for Fair Hearing>)]*.
