About Advance Designation

[^ Hide information about advance designation](#)

You have the option to designate someone you trust to receive and manage your benefit payments on your behalf in the event you become unable to do so yourself.

SSA refers to this person as a representative payee. A representative payee is responsible for ensuring that payments are used for the beneficiary's food, shelter, medical, and personal needs. To be appointed as a representative payee, an individual must be able and willing to serve, and meet SSA selection requirements. To learn more about representative payees, visit <https://www.ssa.gov/payee>.

To name or update your advance designees, please have their phone numbers available. Select the button below to continue with advance designation.
