# Security Authentication PIN (SAP) Code Generation Steps – Screenshots

## Public-Facing SAP Code Generation via Vanity URL (ssa.gov/pin):

1. **User leverages the Vanity URL and signs in to their mySocialSecurity account using their Login.Gov or ID.me credential**

Social Security

Create an Account or Sign In

ℹ️ **You only need one Login.gov or ID.me account.**

If you already have a Login.gov or ID.me account, do not create a new one. You can use your existing account to access Social Security services.

Create an account with Login.gov

Sign in with LOGIN.GOV

Sign in with ID.me

Sign in with Social Security Username

For accounts created *before* September 18, 2021
