

## Family Violence Prevention and Services Program (FVPSP) Disaster Information Collection Form

**Summary:** When a disaster or emergency event occurs, ACF's Watch Desk ([OHSEPR-WatchDesk@acf.hhs.gov](mailto:OHSEPR-WatchDesk@acf.hhs.gov)) will contact the designated point of contact for FVPSP (predetermined by FVPSP Director or designee). The Watch Desk will provide an Advisory about the event that will include what happened and where. The Advisory will include a Request for Information. The Request for Information will routinely ask the same questions, which appear below. The FVPSP point of contact (with help from the impacted grantee POC, if necessary) is requested to answer the questions within a specified amount of time (generally 4 hours), based on whatever information is available at that time, via email to the Watch Desk. If information is not available within the allotted time, please indicate that and when new information comes in during the days following the initial request, the FVPSP point of contact will send an update to the Watch Desk.
