Instrument 6 -Non-Grantee Use of nFORM's Applicant Characteristics Survey

SIRF will implement an intervention in one site that is not a federal Responsible Fatherhood grantee. Therefore, we are requesting burden to cover collection of data on applicant characteristics from fathers enrolled in a non-grantee site. This applicant characteristics survey is part of the full nFORM information collection request package - Healthy Marriage and Responsible Fatherhood Performance Measures and Additional Data Collection (ICR Ref #202102-0970-014).

Expiration Date: xx/xx/xxxx

Applicant Characteristics Survey

Healthy Marriage and Responsible Fatherhood Programs

Thank you for completing this survey. This survey asks questions about your demographic characteristics, financial well-being, and what brought you to the program. Your name will not be on the survey, and your responses will remain private. We want you to know that:

- 1. Your participation in this survey is voluntary.
- 2. We hope that you will answer all the questions, but you may skip any questions you do not wish to answer.
- 3. The answers you give will be kept private.

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to support program performance monitoring and program improvement activities for Healthy Marriage and Responsible Fatherhood programs. Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. The answers you give will be kept private. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0XXX and the expiration date is XX/XX/XXXXX. If you have any comments on this collection of information, please contact Dr. Mathew Stange at nform2.0helpdesk@mathematica-mpr.com.
