Subject: NonSubstantive Change Request – Community Collaborations to Strengthen and Preserve Families Semi Annual ACF Performance Progress Report (0970-0490)

This memo requests approval of nonsubstantive changes to an Administration for Children and Families (ACF) information collection: Community Collaborations to Strengthen and Preserve Families Semi Annual ACF Performance Progress Report, approved under the Generic Performance Progress Reports (0970-0490).

Background

The ACF Children's Bureau added a set of supplemental questions regarding racial equity to the Community Collaborations to Strengthen and Preserve Families Semi Annual ACF Performance Progress Report in 2022. The Community Collaborations (aka CWCC) grant cluster ended in 2024 and the supplemental questions have not been in use since 2023. Only two grant recipients continue to report.

Overview of Requested Changes

To be clear that this information collection is in line with the current administration's priorities related to diversity, equity, and inclusion (DEI), ACF is submitting this nonsubstantive change request. The included Community Collaborations to Strengthen and Preserve Families Semi Annual ACF Performance Progress Report does not include the section on racial equity. All other elements remain the same.
