Abstract: The Office on Violence Against Women (OVW) administers the Local Law Enforcement Grants for Enforcement of Cybercrimes Program (Cybercrimes Enforcement Program), which supports efforts by States, Indian Tribes, and units of local government to prevent, enforce, and prosecute cybercrimes against individuals with a

focus on adult and young adult cybercrime victims, a new federal grant program first authorized in 2022. Cybercrimes against individuals are defined as criminal offenses that involve the use of a computer to harass, threaten, stalk, extort, coerce, cause fear to, or intimidate an individual, or without consent distribute intimate images of an adult, except that use of a computer need not be an element of the offense. (See 34 U.S.C. 30107(a)(2)). Cybercrimes against individuals do not include the use of a computer to cause harm to a commercial entity, government agency or nonnatural person.

Affected Public: Individuals in removal proceedings before EOIR determined to be removable from the United States.

Abstract: An individual who is removable from the United States may, pursuant to section 240A of the Immigration and Nationality Act (Act), request that the Attorney General cancel their removal. To be granted such relief from removal, the applicant must prove that they meet all of the statutory prerequisites for such relief and that they are entitled to a favorable exercise

of discretion. There are two application forms available for cancellation of removal: Form EOIR–42A, for Certain Permanent Residents; and Form EOIR–42B, Adjustment of Status for Certain Nonpermanent Residents. This information collection is necessary to determine the statutory eligibility of individuals in removal proceedings who have been determined to be removable from the United States for cancellation of their removal, as well as to provide information relevant to a favorable exercise of discretion pursuant to 8 U.S.C. 1229b(a), INA § 240A(a). EOIR is revising these forms to update references to filing fee information, to include a Privacy Act Notice for each form, to include the expiration date for OMB approval on each form, and to implement minor text formatting changes to improve organization, clarity, and readability.

5. *Obligation to Respond:* Required to obtain/retain the benefit of cancellation of removal.

EOIR–42B	\$70.08/hr × 5.83 hours per response = \$408 per response ..	\$1,600 per response	15,757	\$31,640,056

Printing and postage costs associated with filing these forms may be avoided because all forms may be submitted electronically. The estimated total public cost for each form is derived by adding the estimated cost to hire a practitioner to assist with preparing the form with the filing fee per form and then multiplying by the total number of

annual responses. The estimated practitioner cost is based on the average hourly wage for an attorney as estimated by the Bureau of Labor Statistics.
