

Justification of Non-Material Change

Treasury Executive Office for Asset Forfeiture

1505-0152

The Department of Treasury is submitting this request for a non-material change to OMB Control Number 1505-0152 to update the current version of the Treasury Form TD F 92-22.46. The change results from the fact that EO 14074 (a section of which required the collection of the data) was rescinded by President Trump on January 20, 2025 <https://www.whitehouse.gov/presidential-actions/2025/01/initial-rescissions-of-harmful-executive-orders-and-actions/> therefore, there is no requirement to continue collecting the data.

To accomplish the change, TEOAF will update the TD F 92-22.46 form to remove Section V. Title VI Civil Rights Requirement. These changes to the forms are not estimated to have any significant impact on the currently approved burden.
