

Privacy Act Statement (5 U.S.C. § 552a, as amended):

Authority: The authority for collecting the information is Title 49 U.S.C. 44101 which requires the registration of each United States civil aircraft as a prerequisite to its operation. An aircraft is eligible for registration only: (1) if it is not registered under the laws of any foreign country; and (2) if it is owned by (a) a citizen of the United States; (b) an individual citizen of a foreign country who has lawfully been admitted for permanent residence in the United States; or (c) a corporation lawfully recognized and doing business under the laws of the United States or any State thereof so long as such aircraft is based and primarily used in the United States; or (d) a government unit. Operation of an aircraft that is not registered may subject the operator to a civil penalty.

Purpose: The principal purpose for collecting the information is to obtain a Dealer's Aircraft Registration Certificate.

Routine Uses: The information collected will be included in the System of Records Notice (SORN) [DOT/FAA 801, Aviation Registration System, 88 FR 53951 - August 9, 2023](#) and will be subject to the published routine uses, including:

- To the public (including government entities, title companies, financial institutions, international organizations, and others), when permitted, information, including aircraft owner's name, address, United States Registration Number, aircraft type, legal documents related to title or financing of an aircraft and ADB-S summary reports, in order to facilitate aviation safety, security, and commerce. Emails and telephone numbers of small unmanned aircraft system (sUAS) owners registered under 14 CFR part 48 will not be disclosed to the Public pursuant to this Routine Use.
- To law enforcement, when necessary and relevant to an FAA enforcement activity.
- To government agencies, whether Federal, State, Tribal, local or foreign, information necessary or relevant to an investigation of a violation or potential violation of law, whether civil, criminal, or regulatory, that the agency is charged with investigating or enforcing; as well as, to government agencies, whether Federal, State, or local responsible for threat detection in connection with critical infrastructure protection.

The Department has also published 15 additional routine uses applicable to all DOT Privacy Act system of records. These routine uses are published in the Federal Register at [75 FR 82132](#) - December 29, 2010, [77 FR 42796](#) - July 20, 2012, and [84 FR 55222](#) - October 15, 2019, under "DOT General Routine Uses" (available at <http://www.transportation.gov/privacy/privacyactnotices>).

Disclosure: Submission of the information is required to obtain a registration certificate.

PRA Public Burden Statement: A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 2120-0024. Public reporting for this collection of information is estimated to be approximately 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information. All responses to this collection of information are required to show evidence of ownership to register an aircraft or hold an aircraft in trust in accordance with 14 CFR Part 47. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Aviation Administration, 10101 Hillwood Parkway, Fort Worth, TX 76177-1524.
