CDL Training Providers: Register and Submit Records

Follow the steps below to ensure your provider appears in the Training Provider Registry, and can electronically submit driver training certification records as required by the ELDT regulations.

1

Create a Login.gov Account

Training providers will use a Login.gov username (email address) and password to access the Training Provider Registry. Providers may create a new account or use an existing Login.gov account. [Learn more about Login.gov.](#)

2

Register Training Provider

Select **one person** to register your company or organization with FMCSA. Once approved, this user may invite other individuals to register and work in the Registry on behalf of the training provider.

3

Register Training Locations

Once FMCSA approves the company's registration request, providers can log in to register training locations. Providers with multiple locations will need to register each location.

4

Submit Training Certification

Registered providers must log in to their Training Provider Portal and submit the training certification record by midnight of the second business day after the driver completes training. [Download the instructions](#)
