- ☒ Persons registered with the Training Provider Registry, including, but not limited to, training schools, educational institutions, rural electric cooperatives, motor carriers, State/local governments, school districts, joint labor management programs, owner-operators, and individuals, must not misrepresent their relationship with FMCSA. Misrepresentation includes, but is not limited to, statements that training schools, educational institutions, rural electric cooperatives, motor carriers, State/local governments, school districts, joint labor management programs, owner-operators, and individuals are certified or endorsed by FMCSA.

(d)

- ☒ Persons registered with the Training Provider Registry , including, but not limited to, training schools, educational institutions, rural electric cooperatives, motor carriers, State/local governments, school districts, joint labor management programs, owner-operators, and individuals , must not make misleading statements about Federal statutory or regulatory requirements.

(e)

- ☒ FMCSA reserves the right to monitor the activity of any machine connected to its infrastructure.

(f)

- ☒ The Training Provider Registry is the property of the Federal Government and FMCSA owns the data stored in this system.

(g)

- ☒ Any activity that violates Federal laws for information protection (e.g., hacking, spamming) is prohibited.

(h)

- ☒ Training Provider Registry accounts are linked to your login.gov profile ***solely for the use of the individual for whom they were created***. Your login.gov passwords or any other authentication mechanisms **should never** be shared or stored in **printed form** in any place accessible. If stored **digitally**, a password should not be stored in a clear-text or a readable format. You may store your login.gov “just in case” information in printed or digital form.

(i)

- ☒ The Training Provider Registry uses login.gov to authenticate your identity. Login.gov has password format requirements and a password expiration policy that must be followed. Login.gov passwords do not expire because login.gov uses multi-factor authentication. Multi-factor authentication expires every 30 days. See <https://www.login.gov/help/changing-settings/turn-off-two-factor-authentication/> for more information.
