

JUSTIFICATION FOR NON-SUBSTANTIVE CHANGE
“Training Certification for Entry” ICR,
OMB Control No. 2126-0028

FMCSA’s Regulatory Development Division is in the process of developing an ICR Tracker where one of the features of the ICR Tracker will be to showcase what regulations or CFR citations are affiliated with FMCSA’s ICRs. The program office subject matter experts will use this information to assist them in making determinations when they develop new FMCSA rulemakings and regulations.

This non-substantive change request to the “Training Certification for Entry” ICR, OMB Control No. 2126-0028, updates the CFR citations for the two information collections to include all the CFR citations referenced in the supporting statement. The citations now include 49 CFR 380; 49 CFR 380.703(5)(i); 49 CFR 380.719(a)(4); 49 CFR 380.725; 49 CFR 380.715.
