A. Overview of Information Collection

Title of Information Collection: Supply Chain Risk Management (SCRM) Questionnaire.

OMB Approval Number: 2535-New.

Type of Request: New collection.

Form Number: None.

Description of the need for the information and proposed use:

HUD has implemented a department-wide supply chain risk management program. HUD will collect information to evaluate the supply chain risk management practices of its current and prospective vendors. In compliance with Executive Order 14017, America's Supply Chains; Executive Order 14028, Improving the Nation's Cybersecurity; the Federal Acquisition Supply Chain Security Act (FASCSA); and incorporating guidance published in the National Institute of Standards and Technology (NIST) Special Publication (SP) 800-161, Cyber Security Supply Chain Risk Management Practices for Systems and Organizations; the U.S. Department of Housing and Urban Development (HUD) has implemented a Department-wide supply chain risk

management (SCRM) program. This initiative will include updated and applicable policy, procedures, and documentation that present the structure of the HUD SCRM Program and establish the guidance for performing vendor supply chain risk assessments. The HUD SCRM Program enables the Department to implement executive orders, legal authorities, regulatory orders, and federal guidance which includes a consistent process for identifying supply chain risk in current and future vendor relationships. As a part of this Program, HUD will collect information to evaluate the supply chain risk management practices of its current and prospective vendors through a HUD SCRM Questionnaire.
