

Subject: Confirmation: Scheduled online meeting with the U.S. Census Bureau

Good morning/afternoon,

Once again, thank you for agreeing to participate in a 60-minute online meeting with the U.S. Census Bureau. You will not be required to provide data from your company. We are interested in your overall impressions of proposed survey design features to improve our surveys. During our call, we will use the link below to facilitate our discussion; there is no need to review this before we meet.

There may be observers from the U.S. Census Bureau who are associated with this research attending this session to hear your feedback. If you prefer not to have observers in attendance, please let me know. Feel free to contact me with any additional questions.
