The Center for Behavioral Science Methods is looking for administrators of facilities (or group quarters) to participate in focus groups about using an online questionnaire to collect census information.

Focus groups will be virtual using Microsoft Teams and will last approximately 90 minutes. They will take place in July and August.

If you know of someone who might qualify, please have them contact Kevin at 301-763-4979 or [csm.participate@census.gov](mailto:csm.participate@census.gov) to learn more. They should mention "GQ Focus Group" when they contact him.
