

Broadcast Email Announcement:

Subject: Participants living in Group Quarters needed for pretesting - \$60

From the Desk of Paul Beatty (Chief, Center for Behavioral Science Methods)

The Center for Behavioral Science Methods is looking for individuals who live in group quarters to participate in pretesting of emails and an online questionnaire collecting census information for an individual.

Sessions will be virtual using Microsoft Teams and will last approximately 90 minutes. They will take place in October and November 2023.

We are interested in speaking with residents of these types of places:

- College/University Student Housing
- Military barracks
- Workers' Group Living Quarters and Job Corps Centers
- Religious Group Quarters

If you know of someone who might qualify, please have them contact Kevin at 301-763-4979 or csm.participate@census.gov to learn more. They should mention "GQ questionnaire" when they contact him. (While current federal employees are allowed to participate in off-duty time, they are not eligible to receive the incentive payment.)

Screening question

Which of the following group quarters or facilities are you a resident of: (Read list)

- College/University Student Housing
- Military barracks
- Workers' Group Living Quarters and Job Corps Centers
- Religious Group Quarters

What is the name of that place? And the address?

Thank you. Sessions will be conducted virtually through Microsoft Teams. Shortly, we will email you a link with more information. You will be able to select a time slot for your tech check session and the actual session and there is a consent form for you to electronically sign. Please complete those tasks as soon as possible.
