### Question

Does anyone in this household have a business or a farm?

Whose business or farm is it? Select all that apply.

These questions ask about work-related activities from SUNDAY, <FILL MONTH/DAY>, to SATURDAY, <FILL MONTH/DAY>.

If BUS=No then: Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you work at a job, or do ANY work for pay?

If BUS=Yes then: Last week, Between Sunday, <fill month/day> and Saturday, <fill month/day> did you work at a job, or do ANY work for either pay or profit?

Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you do ANY work for pay, even for as little as one hour?

Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you do any unpaid work in the family business or farm?

Do you receive any payments or profits from the business?

If BUS\_OWNER=You: Between Sunday, <fill month/day> and Saturday, <fill month/day>, in addition to the business, did you have a job either full or part time? Include any job from which you were temporarily absent.

If BUS\_OWNER=Someone else/Blank: Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you have a job either full or part time? Include any job from which you were temporarily absent.

Between Sunday, <fill month/day> and Saturday, <fill month/day>, were you on layoff from a job, including short-term or temporary layoff?

What was the main reason you were absent from work between Sunday, <fill month/day> and Saturday, <fill month/day>?

Are you being paid by your employer for any of the time off between Sunday, <fill month/day> and Saturday, <fill month/day>?

If BUS=Yes: Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you have more than one job or business, including part-time, evening, or weekend work?

If BUS=No/Blank: Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you have more than one job, including part-time, evening, or weekend work?

If you do similar work across multiple clients or apps, count those as one (job/job or business).

If BUS=Yes: Altogether, how many jobs or businesses did you have?

If BUS=No/Blank: Altogether, how many jobs did you have?

If MJ=No/Blank: How many hours per week do you USUALLY work at your job?

- Estimate the USUAL number of hours worked per week, not the actual hours worked
- Consider the LAST 4 MONTHS
- If hours vary from week to week, give the number of hours worked in a typical week
- If you do not know your usual hours, give your best guess

If MJ=Yes: How many hours per week do you USUALLY work at your MAIN job? By main job we mean the one at which you USUALLY work the most hours.

- Estimate the USUAL number of hours worked per week, not the actual hours worked
- Consider the LAST 4 MONTHS
- If hours vary from week to week, give the number of hours worked in a typical week
- If you do not know your usual hours, give your best guess

If MJNUM>2/Blank: How many hours per week do you USUALLY work at your OTHER jobs?

If MJNUM=2: How many hours per week do you USUALLY work at your OTHER job?

If MJ=Yes and BUS\_OWNER=YOU: Do you USUALLY work 35 hours or more per week at all your jobs combined?

If MJ=No/Blank and BUS\_OWNER=YOU: Do you USUALLY work 35 hours or more per week at your job in the family business or farm?

If MJ=Yes and BUS\_OWNER=Someone else/Blank: Do you USUALLY work 35 hours or more per week at all your jobs combined?

If MJ=No/Blank and BUS\_OWNER=Someone else/Blank: Do you USUALLY work 35 hours or more per week at your job?

Do you want to work 35 hours or more per week?

What is your MAIN reason for working part time instead of full time?

What is the main reason you do not want to work full time?

If MJ=Yes: Next are some questions about the exact number of hours you worked last week. Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you lose or take off any hours from your MAIN job, for ANY reason such as illness, vacation, personal obligation, or because business was slow?

If MJ=No: Next are some questions about the exact number of hours you worked last week. Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you lose or take off any hours from work, for ANY reason such as illness, vacation personal obligation, or because business was slow?

How many hours did you lose or take off?

If MJ=Yes: Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you work any overtime or EXTRA hours that you do not USUALLY work?

If MJ=No: Between Sunday, <fill month/day> and Saturday, <fill month/day>, did you work any overtime or EXTRA hours at your MAIN job that you do not USUALLY work?

How many ADDITIONAL hours did you work?

If MJ=Yes: Between Sunday, <fill month/day> and Saturday, <fill month/day>, how many hours did you ACTUALLY work at your MAIN job?

[BLANK IF HROFF1=No/You reported you lost or took off <FILL HROFF2>.]

[BLANK IF HROT1=No/You reported you worked <FILLHROT2> extra hours.]

If MJ=No: Between Sunday, <fill month/day> and Saturday, <fill month/day>, how many hours did you ACTUALLY work at your job?

[BLANK IF HROFF1=No/You reported you lost or took off <FILL HROFF2>.]

[BLANK IF HROT1=No/You reported you worked <FILLHROT2> extra hours.]

If MJNUM =2: Between Sunday, <fill month/day> and Saturday, <fill month/day>, how many hours did you ACTUALLY work at your other job?

If MJNUM>2: Between Sunday, <fill month/day> and Saturday, <fill month/day>, how many hours did you ACTUALLY work at your other jobs?

HRACT1\_1, or HRACT1\_2 = 0: What was the main reason, you were absent from work between Sunday, <fill month/day> and Saturday, <fill month/day>?

If HRUSL1\_1 =>35 and HRACT1\_1, or HRUSL1\_2 =>35 and HRACT1\_2 = <35:

What is the main reason you worked less than 35 hours between Sunday, <fill month/day> and Saturday, <fill month/day>?

Between Sunday, <fill month/day> and Saturday, <fill month/day>, could you have worked full time if the hours had been available?

Have you been informed that you will be recalled to work within the next 6 months OR been given a date to return to work?

REMOVED

Could you have returned to work between Sunday, <fill month/day> and Saturday, <fill month/day> if you had been recalled?

Why couldn't you have returned to work if recalled between Sunday, <fill month/day> and Saturday, <fill month/day>?

Even though you expect to be called back to work, have you been looking for work during the last 4 weeks?

What is the easiest way for you to tell us how long you had been on layoff?

As of the end of last week, how many [fill from LAYDR1] have you been on layoff?

We would like to have that in weeks, if possible. Exactly how many weeks had you been on layoff?

Is the job from which you are on layoff a full-time job of 35 hours or more per week?

Have you been doing anything to find work during the last 4 weeks?

What are all of the things you have done to find work during the last 4 weeks?

During the last 4 weeks, would you say you have actively been looking for work?

Between Sunday, <fill month/day> and Saturday, <fill month/day>, could you have started a job if one had been offered?

Why were you unable to start a job between Sunday, <fill month/day> and Saturday, <fill month/day>?

BEFORE you started looking for work, what were you doing?

Did you lose or quit that job, or was it a temporary job that ended?

If LKLL2 ne Blank: When did you last work at that job or business? Was it...  
Else: When did you last work at a job or business? Was it...

What was the month and year that you last worked?

What is the easiest way for you to tell us how long you had been looking for work?

As of the end of last week, how many [fill from LAYDR1] have you been looking for work?

We would like to have that in weeks, if possible. Exactly how many weeks had you been looking for work?

Have you been looking for full-time work of 35 hours or more per week?

Do you currently want a job, either full or part time?

What is the main reason you were not looking for work during the LAST 4 WEEKS?

Did you look for work at any time during the last 12 months?

Have you worked at a job or business at any time during the past 12 months?

Did you do any of this work during the last 4 weeks?

Since you LEFT that job or business have you looked for work?

Between Sunday, <fill month/day> and Saturday, <fill month/day>, could you have started a job IF one had been offered?

Why would you have been unable to start a job if one had been offered between Sunday, <fill month/day> and Saturday, <fill month/day>?

Do you intend to look for work during the next 12 months?

ABSNT=1: The next few questions are about the (main) job from which you were absent between Sunday, <fill month/day> and Saturday, <fill month/day>. Are you employed by the government, by a private company, a non-profit organization, or are you (self-employed)?

WORK=1: The next few questions are about the (main) job at which you worked between Sunday, <fill month/day> and Saturday, <fill month/day>. Are you employed by the government, by a private company, a non-profit organization, or are you (self-employed)?

LAYFT=1: The next few questions are about the (main) job from which you are on layoff. Are you employed by the government, by a private company, a non-profit organization, or are you (self-employed)?

Else: The next few questions are about the (main) job at which you last worked. Were you employed by the government, by a private company, a non-profit organization, or are you (self-employed)?

If MJ=1 then "main" else empty

If BUS=1 then "self-employed or working in a family business" else "self-employed"

Would that be the federal, state, or local government?

Is this business incorporated?

Do you usually have any paid employees?

Excluding all owners, how many paid employees does your business usually have?

What kind of business or industry is this?

Include the main activity, product, or service provided where employed.

If (WORK=1) or (WORK=2 and BUS1=1 and BUS2=1) or (WORK=2 and ABSNT=1): What kind of work do you do, that is, what is your occupation?

Else: What kind of work did you do, that is, what was your occupation?

For example: 4th grade teacher, plumber

If (WORK=1) or (WORK=2 and BUS1=1 and BUS2=1) or (WORK=2 and ABSNT=1): Describe your usual activities or duties at this job.

For example: instruct and evaluate students and create lesson plans, assemble and install pipe section and review building plans for work details.

Now I have a few questions about your second job.

Between Sunday, <fill month/day> and Saturday, <fill month/day> at your second job, were you employed by government, by a private company, a non-profit organization, or were you (self-employed)?

If BUS=1 then "self-employed or working in a family business" else "self-employed"

Would that be the federal, state or local government?

Is this business incorporated?

What kind of business or industry is this?

Include the main activity, product, or service provided where employed.

If (WORK=1) or (WORK=2 and BUS1=1 and BUS2=1) or (WORK=2 and ABSNT=1): What kind of work do you do at your SECOND job, that is, what is your occupation?

For example: 4th grade teacher, plumber

If (WORK=1) or (WORK=2 and BUS1=1 and BUS2=1) or (WORK=2 and ABSNT=1): Describe your usual activities or duties at your SECOND job?

For example: instruct and evaluate students and create lesson plans, assemble and install pipe section and review building plans for work details.

What best describes your situation at this time? For example, are you disabled, ill, in school, taking care of house or family, or something else?

Between Sunday, <fill month/day> and Saturday, <fill month/day>, were you enrolled in a high school, college, or university?

Would that be high school, college, or university?

Are you enrolled in school as a full-time or part-time student?

Ask if MJ = Yes

Disabled  
Ill  
In school goto SCHENR  
Taking care of house or family  
In retirement  
Something else (please specify)  
[blank]

Ask if WORK = No

Yes goto SCHLVL  
No goto D\_INTRO  
[blank] goto D\_INTRO

Ask if NLFACT = In school

High school  
College or university  
[blank]

Ask if SCHENR = Yes

Full-time  
Part-time  
[blank]

Ask if WORK = 1, or ABSNT = 1,  
or LAY = 1, or DWWK = 1

Or WORK = No and NLFACT ne  
In school

Analysis Notes	Notes
----------------	-------

	<p>Previously BUS (and BUS_OWNER) quesitons were after LABFOR - moved for testing.</p> <p>Consider intro "Before we get started with the survey, ..." or; "Before we ask you about any work-related activities, ..."</p>
<p>Adding this question to determine whether the respondent is the business owner, because we do not have a roster like in CAPI</p>	<p>Response options are slightly different from CPS since a household roster will not be included in this test.</p> <p>This quesiton moved to after BUS to bring reference period closer to where it is referenced.</p> <p>Reference period is fixed at last week; dates may need to fill based on when interviews are conducted.</p> <p>Using program office alternative</p>

Question not part of CPS
--------------------------

Modified wording adding layoff period based on BLS testing.

Using categories recommended from BLS testing, while keeping the following (Labor dispute, Schooling, Civic/Military duty)

Added instruction recommended from BLS testing

Included recommended instructions from BLS testing

Included recommended instructions from BLS testing

HRUSL1 and HRUSL2 were combined to be on same screen for multiple job holders

Using program office alternative

Using program office alternative

CPS CAPI/CATI includes an intro paragraph that was deleted:

Some people work part time because they cannot find full-time work or because business is poor. Others work part time because of family obligations or other personal reasons.

Updated examples from BLS testing, did not include instruction on paid and unpaid hours.

Using program office alternative

Updated response categories to match  
recommendations used in ABSRSN1

Updated response categories to match
