**YOUR RESPONSE IS REQUIRED BY LAW** and will be kept strictly **CONFIDENTIAL**. The U.S. Census Bureau is authorized to collect this information under Title 13, United States Code (Sections 131 and 182). The same law requires that you respond (Sections 224 and 225) and assures the confidentiality of the information you provide (Section 9). The Census Bureau is not permitted to publicly release your responses in a way that could identify your business, organization, or institution, and uses your responses only to produce statistics.

Although Title 13 (Section 224) and the Sentencing Reform Act of 1984 (18, U.S.C. 3559 and 3571) allow for possible prosecution of responsible officials and penalties up to \$5,000 (and still require response), the U.S. Census Bureau prefers to work cooperatively with businesses like yours to ensure we gather and distribute reliable statistics about the U.S. economy. We ask for your help in meeting that goal, recognizing that we are relying on your valuable time and effort to comply with this request.
