

# November 2025 NTIA Internet Use Survey

Final Draft for OMB Review

## **CMPINT**

All households

This month we are asking some additional questions about Internet use. First, we will ask what types of computers and other devices [you/members of your household] currently use. Please focus on devices [you/members of your household] currently have access to and have used at least occasionally during the past six months. We are interested in devices used at home, work, school, a library, or any other place.

## **LAPTOP**

All households

[Do you/Does anyone in this household, including you,] use a laptop computer? Think about any laptop computers [you/members of your household] currently have access to and have used during the past six months. *(If needed)* A laptop is a personal computer that is portable and includes a built-in keyboard and screen. *(If yes & is multi-person household)* Who is that?

*Enter persons by line number (1-16)*

## **DESKTP**
