PART 1 | INTRODUCTION

NC LRP CONFIRMATION OF INTEREST USER GUIDE

Purpose: The Nurse Corps (NC) Loan Repayment Program (LRP) Confirmation of Interest (COI) user guide serves as the main to answer analyst questions regarding issues applicants may face when completing their COI Process. In addition to this user guide, applicants must be familiar with the NC LRP Application Program & Guidance, as some of the questions will be program based and will not be discussed in this user guide. The primary intent of this user guide is to focus on the functionality developed for the NC LRP COI.

Roles: There are no roles associated with the NC online application. The Confirmation of Interest (COI) is on the applicant portal and is only accessible to applicants that have been offered an award. Program will not have roles or accounts for these screens.

Precondition: The applicant must be offered an Award and sent a Confirmation of Interest (COI).

PART 2 | APPLICANT CONFIRMS INTEREST AND ACCEPTS AWARD

The analyst will complete Verification Review and in some situations Exception Review as part of the NC LRP modernized Application Review workflow. NC LRP Application Review will begin on the New Task Dashboard.

WELCOME SCREEN

During the Review Process, the Obligator Review sends the Confirmation of Interest email to applicants who have been selected for award. The email provides the selected applicants a link to the portal notifying them that there has been an update to their application. The applicant will need to log into his/her application to view the Confirmation of Interest. Upon logging in, the applicant will be directed to the Welcome Screen.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0127 and it is valid until March 31, 2026. This information collection is required to obtain or retain a benefit (Section 338b of the Public Health Service Act [42 U.S.C. 254 i-1]). Public reporting burden for this collection of information is estimated to average 0.5 hours per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857.
