## Pre-authorize my Institution's Researchers with Library Cards

Use the table below to add or remove Library Cards so DUOS-registered researchers can submit DARs.

Issuing Library Card privileges is done in accordance with the [Broad Library Card Agreement](#), [NIH Library Card Agreement](#), and [NIH Data Use Certification Agreement](#) and attests that researchers are a permanent employee of your institution at a level equivalent to, at a minimum, a tenure-track professor or senior researcher. This does **not** include lab technicians or trainees, e.g., post-docs or graduate students. You also attest this Researcher will have oversight responsibility for others named on their DARs who will be granted access to the data.

Note: NIH DACs are not currently using DUOS to review Data Access Requests (DARs). Signing Officials agree to review Library Cards for their institutions annually, and add/remove Library Cards as necessary.

 ADD LIBRARY CARD

OMB No.: 0925-0775  
Expiration Date: 11/30/2028

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-7775). Do not return the completed form to this address.
