od for this data is cumulative totals as of the last day of the previous month; please enter data indicators as of the last day of t
ne for submission is the 15th of the current month. Report program implementation challenges and identify programmatic ass
training or technical assistance (T/TA) needs in the Comment column, if applicable.

"State-supported" means state staff or contractors assigned or hired to coordinate or administer housing assistance (e.g. a ho
coordinator in the SRC's office supported with ASA RSS housing funds).

"Federally-augmented" means staff deployed through one of the OAW staff augmentation efforts (e.g. Public Health Service o
Team Rubicon staff).

In Questions 1 through 4, please enter the total number of staff as of the last day of the previous month in full-time equivalen
provide any needed explanation of staffing configuration in comments. This should capture a snapshot in time, and not repor
marginal increases or decreases. (For example, if you have 2 state-supported staff on board at the end of Month 1, enter "2"
1. If you lose 1 State-supported staff in Month 2, but then hire 2 new State-supported staff by the end of the month, then rep
"3" state-supported staff in place at the end of Month 2.

State Afghan Placement and Assistance (SAPA) program States: For Questions 1-8, to the extent possible, include only standa
SAPA-type ASA RSS services and funding, such as housing assistance after 90 days, available to *all* Afghan clients, including tho
resettled through APA, SAPA, and other alternative resettlement pathways. If activities and expenditures for the SAPA progra
initially too challenging to isolate and exclude from this data, they may be included. In that case, please explain in comments.

Enter the total amount of ASA RSS funds *budgeted* for housing assistance as of the last day of the previous month (e.g. as refl
SRC's planning budget).

Enter the total amount ASA RSS funds *obligated* for housing assistance as of the last day of the previous month (i.e. the amou
through a sub-contract or sub-award).

Of the amount in Question 5, approximately what percent is budgeted for long-term (vs. short-term) housing as of the last day
previous month? In this collection, consider permanent and long-term housing to be equivalent terms, capturing those living
apartment or house, or permanently with a US Tie. Please enter data as a whole number.

Placeholder question: not for current use: *To be used only *after* Afghan Placement and Assistance (APA) period. During AP*
PRM will collect similar data from Resettlement Agency Affiliates and Community Partners.

Number of individual OAW Afghans who have received housing assistance with ASA RSS funding as of the last day of the previ
Include those who received such assistance in any month from arrival in the community until the last day of the previous mon

Enter the total amount of ASA RSS funds *budgeted* for *legal* assistance as of the last day of the previous month (e.g. as reflect
SRC's planning budget).

Enter the totala mount ASA RSS funds *obligated* for *legal* assistance as of the last day of the previous month (i.e. the amount
through a sub-contract or sub-award).

Placeholder question; not for current use: This item will be included only after additional ASA RSS funds have been awarded fo
assistance.
Number of individual OAW Afghans who have received *legal* assistance with ASA RSS funding as of the last day of the previou
Include those who received such assistance in any month from arrival in the community until the last day of the previous mon

Enter the number of OAW Afghans enrolled in ASA RSS or RSS funded employability services, as defined in 45 C.F.R. § 400.154
last day of the previous month.

Of those reported in Question 12, enter the number entered employment (Full-Time or Part-Time), as of the last day of the pr
month.

Have you increased your medical screening sites to better serve Afghan arrivals, as of the last day of the previous month?
For Questions 14, please select:
"Yes" if you have increased screening sites to better serve OAW Afghan arrivals,
"No" if you need to increase the sites to better serve Afghan arrivals but haven't been able to do so yet, and
"N/A" if you have made no changes because you have capacity under current process/screening sites to adequately screen ar

Have you modified your medical screening process to better serve Afghan arrivals, as of the last day of the previous month?
For Questions 15, please select:
"Yes" if you have modified the process sites to better serve OAW Afghan arrivals,
"No" if you need to modify the process to better serve Afghan arrivals but haven't been able to do so yet, and
"N/A" if you have made no changes because you have capacity under current process/screening sites to adequately screen ar
Enter the total amount of Afghan *RHP* funds budgeted, as of the last day of the previous month

Enter the total amount of Afghan *RHP* funds obligated, as of the last day of the previous month

Note: Questions 16 and 17 are related to obligation of the Afghan RHP grant while Questions 14 and 15 are related to RMS fo
Afghans. These indicators are intentionally measuring different - but both important - aspects of providing health services to C
Afghans.
Enter the total amount of ASA-funded RSI funds budgeted, as of the last day of the previous month
Enter the total amount of ASA-funded RSI funds obligated, as of the last day of the previous month

Enter the total amount of ASA-funded RSI Support to Schools (S2S) funds budgeted, as of the last day of the previous month
Enter the total amount of ASA-funded RSI S2S funds obligated, as of the last day of the previous month
Enter the number of school districts funded as S2S sub-recipients. Please enter data as a number.

OAW Resettlement SRC Monthly Report

Questions

Questions
How many total **state-supported** housing staff are on board as of the last day of the previous month? Please enter data as a full-time equivalent (FTE) number.
How many total **federally-augmented** housing staff are on board as of the last day of the previous month? Please enter data as a full-time equivalent (FTE) number.
How many total **state-supported** housing staff will be on board in the next 3 - 6 months? Please enter data as a full-time equivalent (FTE) number.
How many total **federally-augmented** housing staff will be on board in the next 3 to 6 months? Please enter data as a full-time equivalent (FTE) number.
Total ASA RSS **budgeted** for **housing assistance**: Please enter data as a number.
Total ASA RSS **obligated** for **housing assistance**: Please enter data as a number.
Of the amount in Question 5, approximately what **percent** is **budgeted for long-term** (vs. short-term) housing?
Number of individual **OAW Afghans** who have **received housing assistance** with ASA RSS funding: Please enter data as a number.
Total ASA RSS **budgeted** for **legal assistance**: Please enter data as a number.
Total ASA RSS **obligated** for **legal assistance**: Please enter data as a number.
Number of individual **OAW Afghans who have received legal assistance** with ASA RSS funding: Please enter data as a number.
Number of **OAW Afghans enrolled in ASA RSS or RSS employability services:** Please enter data as a number.
Of the number reported in Question 12, **number entered employment (Full-Time or Part-Time).** Please enter data as a number.
Have you **increased** your **medical screening sites** to better serve Afghan arrivals? Select Yes, No, or N/A from dropdown list.
Have you **modified** your **medical screening process** to better serve Afghan arrivals? Select Yes, No, or N/A from dropdown list.
Total **ASA-funded RHP budgeted:** Please enter data as a number.
Total **ASA-funded RHP obligated:** Please enter data as a number.
Total **ASA-funded RSI budgeted:** Please enter data as a number.
Total **ASA-funded RSI obligated:** Please enter data as a number.
Total **ASA-funded RSI Support to Schools (S2S) budgeted:** Please enter data as a number.
Total **ASA-funded RSI S2S obligated:** Please enter data as a number.
Number of school districts funded as **S2S** sub-recipients. Please enter data as a number.
