CERTIFICATION OF MATERIAL EVENTS FORM

For All CDFI Fund Programs

What is a Material Event?

A Material Event is an occurrence specified in any applicable Assistance, Award, Allocation, Certification or Bond Loan Agreement, or Agreement to Guarantee between the Community Development Financial Institutions Fund (CDFI Fund) and a Certified CDFI, Award Recipient, Allocatee, or Borrower. CDFI Certified organizations, Award Recipients and Borrowers should consult each applicable agreement to determine which events must be reported. At a minimum, a Material Event includes any change in an organization's condition that may lead to or cause the actual violation of terms and conditions of an Assistance, Award, Allocation, Certification or Bond Loan Agreement, Agreement to Guarantee, regulation, or law. Certified Community Development Entities (CDEs) and Community Development Financial Institutions (CDFIs) must also report any event or condition that may cause the entity to no longer meet one or more certification criteria.

When should a Material Event be reported?

A Material Event must be reported within 30 days of the occurrence or as specified in the agreement(s) for the specific CDFI Fund program. Failure to timely report a Material Event is considered a violation of the terms and conditions of the applicable agreement and may be deemed an event of Default or Noncompliance.

Upon receipt of the Certification of Material Event Form (Material Event Form), the CDFI Fund will review the content and assess its impact on the submitting organization.

Instructions:
