On behalf of the Consortium for Constituents with Disabilities (CCD) Education Task Force, CCD again recommends that the Department rescind this proposal. The Department must continue to require States to collect the Significant Disproportionality Data under Part B of the IDEA Section 618(d) and 34 CFR 300.346 and 300.347 through Section V of the Annual State Application under Part B of IDEA. Our full comments are attached.
