

This is a request for an extension without change of the previously approved collection for requirements contained in 34 CFR 668.28 providing that a proprietary institution must derive at least 10% of its annual revenue from sources other than Title IV, HEA funds.

There have been no changes to the regulations. This extension does not change the calculated burden, number of respondents, or number of responses.

Affected Entity	Respondent	Responses	Total Burden	Cost
For-Profit Inst.	1,650	1,683	39,732	\$1,985,805
