

This request is for an extension of the information collection of the requirements in the policies and procedures related to the eligibility of foreign schools to apply to participate in Title IV, HEA programs that were added by the Higher Education Opportunity Act of 2008 (HEOA).

§600.55 – Additional criteria for determining whether a foreign graduate medical school is eligible to apply to participate in the Direct Loan Program.

Regulation §600.55(c)(2) requires a foreign graduate medical school to determine the consent requirements to meet their specific country's privacy laws and require the necessary consents of all students, who are U.S. citizens, nationals, or eligible permanent residents, that have been accepted for admission to enable the foreign school to comply with the collection and submission requirements in §600.55(d) for Medical College Admission Test (MCAT) scores, residency placement, and U.S. Medical Licensing Examination (USMLE) scores.
