Paperwork Reduction Act Burden Statement:

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 2120-0652. Public reporting for this collection of information is estimated to be approximately 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information. All responses to this collection of information are required by PL106-113. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Aviation Administration, 10101 Hillwood Parkway, Fort Worth, TX 76177-1524

OMB No. 2120-0652 Exp. 3/31/2026

FAA Office of Environment and Energy ATTN: Noise Division (AEE-100) 800 Independence Ave., SW Washington, DC 20591

## Questions about this form?

Please call: (202) 267-3577

**Note:** This form is an application for a special flight authorization only. It may not be used to fly an airplane. It must be submitted to the FAA, which will issue a special flight authorization based on the information provided above.

When issued, the Special Flight Authorization must be carried on board the airplane during the authorized flight. Persons on board are limited to flight crew only. A Special Flight Authorization issued pursuant to this application is for noise only and may not be used as a substitute for other ferry permit or authorization that may be required for airworthiness or other purposes, such as 14 CFR 21.199, Issue of special flight permits or 43.3, Persons authorized to perform maintenance, preventative maintenance, rebuilding, and alterations.
