

**JUSTIFICATION FOR NON-SUBSTANTIVE CHANGE  
“Motor Property Carrier and Broker Authority” ICR,  
OMB Control No. 2126-0016**

This non-substantive change request to OMB Control No. 2126-0016, “Motor Property Carrier and Broker Authority,” updates the forms OP-1, OP-1(FF), OP-1(MX), OP-1(NNA), and OP-1(P) with the correct new expiration date of 7/31/2027. In the burden statements the current public reporting burden estimates were verified and remain unchanged. In order for FMCSA to comply with the Executive Order to Modernize Payments, FMCSA needs to update registration application forms and instructions to phase out checks and money orders as acceptable payment methods; remove fax numbers from each of the forms and as a submission option; and revise the online submission guidance on each form to direct customers to the FMCSA Portal when submitting electronically. FMCSA is required to have these changes in place by September 15, 2025.
