POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

Records are stored electronically in the Amazon Web Service Cloud. Paper documents may be scanned/digitized and stored for viewing electronically.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Electronic records are retrieved by name or VA claims file number or social security number of the Veteran, family member, or caregiver. Computer records are retrieved by name, the VA assigned Integration Control Number, data file number (DFN), DFN and beneficiary first name, Social Security Number of the Veteran, family member, caregiver, or VA claims file number of the Veteran.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records in this system are retained and disposed of in accordance with the schedule approved by the Archivist of the United States, Record Control Schedule 10–1 item 1260.1.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

Working spaces and record storage areas at OIVC are secured during all business and non-business hours. All entrance doors require an electronic pass card for entry. The OIVC Logistics Department issues electronic pass cards. OIVC staff control visitor entry by door release and escort. The building is equipped with an intrusion alarm system monitored by OIVC security staff during business hours and by a security service vendor during nonbusiness hours.

Electronic/digital records are stored in an electronically controlled storage filing area. Paper records in work areas are stored in locked file cabinets or locked rooms. Access to record storage

areas is restricted to VA employees on a “need-to-know” basis. Access to the computer room is limited by appropriate locking devices and restricted to authorized VA employees and vendor personnel. Authorized VA employees may access information in the computer system by a series of individually unique passwords/codes.

The system is hosted in Amazon Web Services Government Cloud infrastructure as a service Cloud computing environment that has been authorized at the high-impact level under the Federal Risk and Authorization Management Program. The secure site- to-site encrypted network connection is limited to access via the VA trusted internet connection.

RECORD ACCESS PROCEDURES:

Individuals seeking information on the existence and content of records in this system pertaining to them should contact the system manager in writing as indicated above or write or visit the VA medical facility location where they normally receive their care. A request for access to records must contain the requester’s full name, address, and telephone number, be signed by the requester and describe the records sought in sufficient detail to enable VA personnel to locate them with a reasonable amount of effort.

CONTESTING RECORD PROCEDURES:

Individuals seeking to contest or amend records in this system pertaining to them should contact the System Manager in writing as indicated above or may write or visit the VA medical facility location where they normally receive their care. A request to contest or amend records must state clearly and concisely what record is being contested, the reasons for contesting it, and the proposed amendment to the record.

NOTIFICATION PROCEDURES:

Individuals who wish to be notified if a record in this system of records pertains to them should submit the request following the procedures described in “Record Access Procedures,” above.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

None.

[OMB Control No. 2900–0463]

Agency Information Collection Activity: Notice of Waiver of VA Compensation or Pension To Receive Military Pay and Allowances

AGENCY: Veterans Benefits Administration, Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: Veterans Benefits Administration (VBA), Department of Veterans Affairs (VA), is announcing an opportunity for public comment on the proposed collection of certain information by the agency. Under the Paperwork Reduction Act (PRA) of 1995, Federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed revision of a currently approved collection, and allow 60 days for public comment in response to the notice.

DATES: Comments must be received on or before November 14, 2025.

ADDRESSES: Comments must be submitted through www.regulations.gov.

FOR FURTHER INFORMATION CONTACT:

Program-Specific information: Kendra McCleave, 202–461–9760, kendra.mccleave@va.gov.

VA PRA information: Dorothy Glasgow, 202–461–1084, VAPRA@va.gov.

SUPPLEMENTARY INFORMATION: Under the PRA of 1995, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. This request for comment is being made pursuant to Section 3506(c)(2)(A) of the PRA.

With respect to the following collection of information, VBA invites comments on: (1) whether the proposed collection of information is necessary for the proper performance of VBA’s functions, including whether the information will have practical utility; (2) the accuracy of VBA’s estimate of the burden of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or the use of other forms of information technology.

Title: Notice of Waiver of VA Compensation or Pension to Receive

Military Pay and Allowances (VA Form 21–8951–2).

OMB Control Number: 2900–0463. <https://www.reginfo.gov/public/do/PRASearch> (Once at this link, you can enter the OMB Control Number to find the historical versions of this Information Collection). This is a revision with the respondent burden increasing due to the final regulation under RIN #2900–AP86 taking effect January 11, 2024.

Type of Review: Revision of a currently approved collection.

Abstract: VA Form 21–8951–2 is used by reservists/guardsmen filing a waiver of VA disability benefits to receive active or inactive duty training pay or to notify VA to resume benefits as his/her active service has completed. Without this information, the reduction in overpayments and/or erroneous payments associated with receipt of VA disability compensation or pension could cause hardship on behalf of the claimant.

Affected Public: Individuals or Households.

Estimated Annual Burden: 5,766 hours.

Estimated Average Burden per Respondent: 10 minutes.

Frequency of Response: One time.

Estimated Number of Respondents: 34,594 per year.

DEPARTMENT OF VETERANS AFFAIRS

Privacy Act of 1974; System of Records

AGENCY: Veterans Health Administration (VHA, Department of Veterans Affairs (VA)).

ACTION: Notice of a modified system of records.

SUMMARY: As required by the Privacy Act of 1974, notice is hereby given that VA is modifying the system of records titled “VHA Corporate Data Warehouses-VA” (172VA10). This system is used for clinical decision support, mobile applications presenting patient data, and statistical analysis to produce various management, workload tracking, and follow-up reports. It is also used to track and evaluate the ordering and delivery of equipment, services, and

patient care; track the planning, distribution, and utilization of resources; monitor the performance of Veterans Integrated Service Networks; and allocate clinical and administrative support to patient medical care.

DATES: Comments on this new system of records must be received no later than 30 days after the date of publication in the **Federal Register**. If no public comment is received during the period allowed for comment or unless otherwise published in the **Federal Register** by VA, the new system of records will become effective a minimum of 30 days after date of publication in the **Federal Register**. If VA receives public comments, VA shall review the comments to determine whether any changes to the notice are necessary.

ADDRESSES: Comments may be submitted through www.Regulations.gov or mailed to VA Privacy Service, 810 Vermont Avenue NW, (005X6F), Washington, DC 20420. Comments should indicate that they are submitted in response to “VHA Corporate Data Warehouses-VA” (172VA10). Comments received will be available at <https://www.Regulations.gov/> for public viewing, inspection, or copies.

FOR FURTHER INFORMATION CONTACT: Ms. Stephania Griffin, VHA Chief Privacy Officer, Department of Veterans Affairs, 810 Vermont Avenue NW, (10DH03A), Washington, DC 20420, Stephania.Griffin@va.gov, telephone number 704–245–2492 (Note: This is not a toll-free number).

SUPPLEMENTARY INFORMATION: VA is modifying the system of records by revising the categories of records in the system, record source categories, purpose(s) of the system, routine uses of records maintained in the system records, Notification Procedure, and Appendix A. VA is republishing the system notice in its entirety.

Categories of records in the system and record source categories are being modified to change 121VA10A7 to 121VA10.

Purpose(s) of the system is being updated to add, “to monitor the performance and produce management and actuarial reports of VHA and Veterans Integrated Service Networks,” and include, “The records and information may be used and shared, including through application programming interfaces (API), to meet statutory mandates regarding health care related programs.”

Routine uses of records maintained in the system is adding the following:

Routine use #1 and routine use #17 are duplicate. Therefore, routine use #17

is being replaced with a new routine use to state, “Centers for Disease Control and Prevention (CDC): To CDC and/or their designee or other Federal or state public health authorities in response to its request or at the initiation of VA, in connection with disease-tracking, patient outcomes, bio-surveillance or other health information required for program accountability.” VA needs the ability to conduct disease tracking to impact patient outcomes, respond to public health threats, and to contribute significantly to the CDC’s ability to conduct and monitor public health surveillance.

Routine use #26 is being added to state, “National Cancer Institute (NCI): To the NCI and/or their designee and/or a state cancer or tumor registry in response to its request or at the initiation of VA for the purpose of population-based activities to improve health and disease management.” VA needs the ability to determine trends in the rates of the incidence of cancer in Veterans.

Routine use #27 is being added to state, “Third Party Non-Governmental/Governmental Applications: To a third party non-Governmental or Governmental application through the Provider Directory Application Programming Interface concerning health care provider’s professional qualification. Information to be disclosed may include provider name, national provider identifier (NPI), VA medical facility address, VA employee email, VA facility telephone number, sex, and languages used.” VA needs to share provider information maintained in the corporate data warehouse through APIs with third party non-Governmental and Governmental applications mandated by the Centers for Medicaid and Medicare Services for the purpose of complying with 45 CFR 156.221(i).

The policies and practices for retention and disposal of records is being updated to replace “General Records Schedule 20, item 4” with “General Records Schedule 5.2, item 020.”

The Notification Procedure section is being update to state “Individuals who wish to be notified if a record in this system of records pertains to them should submit the request following the procedures described in ‘Record Access Procedures,’ above”.

Appendix A is being updated to change “HealtheIntent at Cerner Technology Centers (CTC)” to “Oracle Health Data Intelligence (HDI) at Oracle Technology Centers”, Change “Picture” to “Platform in “VA Common Operating Picture, Palantir Foundry” and to remove “Data Lake” from “VA
