To confirm that your updates have been accurately inserted into our system, please review the materials attached to this email and verify their accuracy. The materials include:

- Block equivalency files.
 - o Listings of all 2020 census tabulation blocks in your state and the district to which they are assigned.
 - Format is comma-delimited text.
 - Fields are: **<Edit sub-bullet as appropriate for the plans that were submitted>**
 - For CDs: State, County, Tract, Block, and CD.
 - For SLDs: State, County, Tract, Block, SLDU, SLDL, SLDU Name, and SLDL Name.

If the verification materials correctly represent your districts, please complete the attached verification form(s) to certify your agreement. Please email the form(s), and any other supporting materials, to the [Redistricting and Voting rights Data Office](#) at your earliest convenience, but no later than **<two weeks from send date>**. If we do not receive a response by **<insert date>**, we will assume that the representation of districts is correct.
