U.S. CENSUS BUREAU

SPECIAL CENSUS COST ESTIMATE REQUEST FORM

GENERAL INSTRUCTIONS

A Special Census is a basic enumeration of population, housing units, and group quarters conducted by the U.S. Census Bureau at the request of a governmental unit. Special Censuses are conducted on a cost reimbursable basis. The first step for a governmental unit interested in having a Special Census conducted is to request an official cost estimate from the Census Bureau.

To request a cost estimate, the governmental unit should **email** the following items to DCMD.Special.Census@census.gov:

1. An official letter from your jurisdiction requesting a Special Census cost estimate.
 - a. The letter should indicate if you are requesting a cost estimate for a full or partial Special Census. A full Special Census covers the jurisdiction of the entire governmental unit. A partial Special Census must contain at least one full tract that is completely within the jurisdiction of the governmental unit and can contain additional contiguous tracts or blocks.
 - b. This letter should be signed by the Highest Elected Official or designee.
2. A completed SC-900 "Special Census Cost Estimate Request Form."
 - a. The fillable SC-900 should be submitted electronically.
 - b. The SC-900 must be filled out completely, including your estimated population and housing unit counts.

Note: Please email (DCMD.Special.Census@census.gov) if your governmental unit is unable to fill out the SC-900 form electronically.

Your request for a cost estimate will not be considered until both items (official letter and completed SC-900) are received by the Census Bureau. Once both required items are received, the Special Census Program will notify you of receipt.

The Census Bureau estimates that completing this voluntary form will take 45 minutes on average. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to DCMD.Special.Census@census.gov. Use "Paperwork Reduction Project 0607-0368" as the subject.

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number that appears at the upper right of the form confirms this approval. If this number were not displayed, the Census Bureau could not conduct this program. The Census Bureau conducts the Special Census under the legal authority of the Title 13, U.S. Code, Section 196.

SPECIAL CENSUS COST ESTIMATE REQUEST FORM

The information you provide on this form (SC-900) will be used to help the Census Bureau determine estimated costs for conducting a Special Census in your jurisdiction. Please provide the information requested. Attach additional pages as necessary. Approximately 30 days after all materials are received, the Census Bureau will send you a Special Census Cost Estimate and a Memorandum of Agreement for your consideration. The Special Census Program office will contact you if more information is needed during the cost estimate phase
