## Recommendation Providers

For your application to be considered, two individuals must submit recommendations on your behalf via the online system by the application deadline. **Applications without two recommendations will not be accepted. No other form of recommendation is accepted. Recommenders may not be relatives, friends, or sitting members of the Baldrige Program's Judges Panel.** We suggest that you select recommenders early to give them sufficient time to respond. **Recommendations will not be received or accepted after the application deadline.**

NOTE: If you are a state examiner, one recommendation from the state program director is strongly encouraged.

Following are steps for selecting and notifying your recommenders:

1. Identify up to four recommenders.
2. Click on the "Add Recommendation Provider" button to enter the name and email address of the first recommender. When you save the recommender information, the recommender will receive an email containing a link to the online system and a personal access code enabling him or her to log in and complete the recommendation. Add up to three more recommenders in the same way. Once the recommenders have logged in and begun their recommendations, a date will appear on the "Started" line under the "Status" column, and you will no longer be able to edit their information.
3. Monitor your email for notification that the Baldrige Program has received a completed recommendation. We will add only the two newest recommendations received to your file, and you may not delete a recommendation after the program has received it.
4. If you wish, once you have received two notifications, you may delete the remaining recommenders. If you decided to delete the remaining recommenders, an email will be generated informing them that you no longer require their recommendations.
5. If you wish, you may send reminder emails to your recommenders by clicking "Send Email."
